

Remarks

Examiner rejected claims 16, 17, and 23-25 as being anticipated by Snoeys et al. Applicant has cancelled claims 16, 17 and 23-25 to place this application in form for allowance.

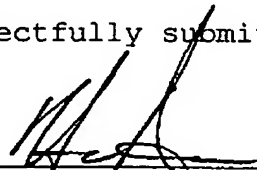

Examiner has amended claims 5 and 13 to correct the deficiencies cited by the Examiner. Specifically, a period has been added to claim 5 and the grammar errors of claim 13 have been corrected. Applicant submits both claim 5 and 13 are now in the form for allowance.

Examiner indicated that claim 18 would be allowable if rewritten in independent form. Applicant has therefore rewritten claim 18 in independent form. Claims 19-22 and 26 now depend on allowable claim 18. Therefore, applicant submits claims 18-22 and 26 are now in a form for allowance.

Applicant thanks the Examiner for his consideration of claims 1-4, 6-12, 14, 15, and 27-37 and indication that those claims are allowable without further amendment. Applicant believes this application is now in allowable form.

Respectfully submitted,
